

University Members' Benefits and Fees

1. Get access to **Mobius Portal** to:

- Upload and display equipment, facility and user information.
- Learn from other users' experience and give feedback to help determine future iterations and functionality
- Enable students to find team members with desired skills
- Get access to a Custom Mobius portal* to credential users and integrate with the university's own authentication system

2. Attend **annual membership meeting** featuring presentations, discussions, showcases, demos and networking opportunities

- Founding University Members participate on the Make Impact Consortium University Advisory Board. Said board will meet at least once yearly at the annual meeting. Each Founding University / College / Institute will have one seat on the advisory board, with each seat having a vote toward advisory recommendations for improving the effectiveness of the consortium.

3. Participate in online interactive **webinars** to learn from experts and other members on all facets of developing and maintaining makerspaces and entrepreneurship communities. Webinars to be held quarterly, and will be free to consortium members. Sample topics may include: setting up and equipping space, defining and measuring success, harnessing student energy for training & mentoring, combining making & entrepreneurship, among others

4. Send **students to participate in events with companies** that are potential internship sponsors and employers. The consortium will host "meet the maker" events where students from member universities will have the opportunity to demonstrate their work and activities to an audience of other students and industry representatives. This gives students the opportunity to get feedback on their work, meet other students for potential collaboration and meet potential employers looking for students with making and entrepreneurship abilities.

5. Enroll at substantially discounted prices on **bootcamps** focused on makerspaces and entrepreneurship. Enrollment is on a first-come, first-serve basis and will be limited by space and equipment constraints

6. Tour other consortium members' **makerspaces and entrepreneurship spaces**, at their invitation

7. **Additional benefits** may be available (including enhanced features of the Mobius portal). An updated fee schedule will be made available annually.
